Student Loans Available

If you're attending college or helping your children pay for college, you know tuition prices have risen drastically in recent years leaving most students unable to afford the cost without loans. Fortunately, Premier Credit Union values education, and we strive to help our members with this very important expense.

We have partnered with Iowa Student Loan to offer a Private Student Loan program, which offers students attending a two or four year college or university up to \$10,000 per academic year, with a \$30,000 maximum. Designed to help you cover the difference between your federal and state financial aid and the total cost of your tuition, room and board, and other expenses. Premier Private Student Loans are available to students with or without prior credit history.

Back-to-School Loans

It's summer now, but before you know it, the kids will be back to school. You know what that means - a long list of things to buy. Remember when back to school meant some new clothes, a couple of #2 pencils, a box of crayons, and a ruled tablet? As ready as you may be to see your kids go back to school after the summer break, you may be dreading back-to-school expenses. If bulging backpacks mean empty wallets, contact Premier Credit Union for a Back-to-School loan.
